Important:

- Pricing does not include any sales tax and are subject to change until services are contracted. Prices could change depending on third party vendor services and other factors.
- A \$500 deposit is required at the time of contract signing; and, the remaining balance is due on or before the wedding day. There are additional charges for travel when an overnight stay or travel out of the local area (>90 miles from Portland ME) is necessary.
- I take as many formal and posed photos as desired, but my specialty is providing a generous selection of candid photos that tell the story of the wedding.
- I photograph your wedding myself. I never substitute another photographer. I normally work alone, employing an assistant only when special circumstances make it necessary.
- I arrive as early as you like, and stay as long as you need me. I never book another event on the same day as a wedding.
- I am always available to take whatever photographs you and your guests want taken.
- I never impose myself on or interfere with your ceremony or reception. I "stage manage" a photograph only when you request it.
- My clients always own reproduction right to the original digital photos of their wedding for personal, non-commercial, or not for profit use.
